

## Fusheng Air Compressor Pumps

Consumers have been deceived by counterfeit Fusheng reciprocating air compressor pumps and spare parts. The copies look similar, but actually they're poorly made from inferior materials. Don't waste your money and risk your safety with fakes. Buy only genuine Fusheng compressor pumps for guaranteed quality.

The illustrations shown below provide guidance on how to spot the difference between a genuine Fusheng compressor pump and some counterfeit versions. Consumers are welcome to contact Glenco to verify the authenticity of any new compressor pump that's claimed to be a genuine Fusheng product.
